CHAPTER-I

GENERAL INTRODUCTION

The Mewat region bordering three states, is socially, economically and educationally, the most backward area of Haryana and it has been acknowledged so by the Haryana Government however no sincere effort was ever made to uplift the residents of this area in the field of education. It was Ch. Mohd. Yasin Khan, a great son of the soil and a selfless sagacious leader of Mewat who had an ardent desire to equip the young generation of Mewat region with the modern education, so that they could contribute to the social, political and moral needs of the society, in particular and the nation, in general. Chaudhary Saheb played a significant role in spreading the education in this area but before he could realize his vision of higher education in the region, he left for heavenly abode in the year 1970. Yasin Meo Degree College was established in 1971 as a memorial to this great leader and benefactor of Mewat by his illustrious son Late Ch.
